Letter Of Appreciation

"Jadhav Paradise" a multi business platform group has emerged in Nashik with its first project called "**Shubham Water World**" - a vacation hotspot for people all over. In our water park, we use various process equipments for water circulations. We use only "Indo Pump" make centrifugal pumps. We appreciate their products & in-time service.

Since two years, all pumps of 100 m³/h, 600 m³/h & 20mtr head are working satisfactorily with zero maintenance.

We recommend and insist on using "Indo Pump" make centrifugal pumps.

Mr. Shashikant Jadhav
Chairman,
